“ I taught with Jo In Anchorage, Alaska. She was a very gracious lady and a great teacher. Several years ago some of us went to an early childhood seminar "back east" and we had time to visit Jo and Jim...it was a great visit and brings special memories.

“ I enjoyed getting to know Josephine at our Delta meetings. She was always so interested in what people had to say. We enjoyed chatting about growing up in Newmarket (my home town too), and about teaching experiences. She will be missed by many. Ann Gray

“ I loved this lady. We first met through Delta. She would pick me up for the meetings and when we got to Groveton we would pick up a wonderful teacher friend of mine. We did this for years until my friend moved to FL and I kind of faded away from the group. From there Jo and her bridge friends taught me to play bridge and the rest was history. Jo was one of the first ones we asked to join our Red Hat Group and she went to every meeting that she could. We are all blessed to have had this wonderful lady in our lives.
