“ I was her pastor from 1990-1994. She had a strong faith in the Lord Jesus Christ. I never met anyone who was a bigger giver than her. She had a great love for the Scriptures. She always had great health tips. A few visits to New Hampshire she had us stay with her at her house. She was a great person!! Rev. Gene Hinrichsen

“ I didn't know Nellie well, but my impression of her was of an intelligent, kind, community minded person. She always said hello and sometimes stopped to chat. She will be sorely missed.

My heartfelt condolences to friends and family.

“ So sorry to hear of Nell's passing. She attended the Methodist church at one time and I enjoyed seeing her very much. After she left she still came back often to help us in any way that she good. She was always willing to give a ride to someone in need and you felt that she really cared about you. You will be missed my friend but I know you are watching out for all of us from heaven. My deepest sympathy to the family, Patty Hart
