

## Andrea Rose Howland

May 2, 1959 - March 25, 2008

NORTH STRATFORD, NEW HAMPSHIRE – Ms. Andrea Rose (Powers) Howland, 48, of Pleasant Valley Road, North Stratford, New Hampshire, passed away tragically early Tuesday morning, March 25, 2008, at her home in North Stratford.

Anne was born May 2, 1959, in Littleton, NH, daughter of the late Frank and Gloria (Couturier) Powers.

Anne was a woman who took time out of her daily schedule to help people. Her door was open to everyone under any circumstance, providing advice whether solicited or not. She loved her family and enjoyed spending time with them and her boyfriend, Lenwood W. Bresette III. Her day was filled with her children, grandchildren and Lenwood's three children, Leesa, Kevin and Samantha. She was a one-of-a-kind woman with her "have to know" personality. "Goodbye is forever, and time passes on. So we'll see you later my friend. We all love you, so long...."

Anne is survived by six children: Jason Moore and his wife, Darcy, and their three children; Andrew Howland III and former wife, Sharnna, and their two children and his current companion, Angela Wright, her daughter and expected child; Nicole Howland and companion, Adam Bedard, and two children; Robert Howland and wife, Crystal, and their three children; Lori

Champagne and former husband, Jeremy, and their five children; and Marie Miles and her family; three sisters, Pamela Howland and companion, Uncle Paco, and their three children and granddaughter; Sandy Cushing and her family; and Sharon Couvy and her family; two brothers, Gary Powers and his family, and Dale Powers and his family; and Anne's former husband, Andrew Howland II.

Anne is preceded in death by her parents and her boyfriend, Lenwood W. Bresette III, on March 25, 2008, one of the true loves of her life.

There will be no calling hours. The family will hold a celebration of Anne's life on Saturday, March 29, 2008, at 2:00 p.m. at the Monadnock Congregational Church in Colebrook.

“ Just having one of those days...Hoping that you and Tab have crossed paths within the heavens above. You both are so dearly missed, some days life seems so unreal- so many questions that will never have answers. All I hope for is that you both have finally found happiness and that you watch over us and our little ones. Missing you- love Jess##imported-begin##Jess Smith##imported-end##

“ *It's hard to believe that a year has nearly passed. It seems just like yesturday that Nick and I were scrubbing dishes in your sink and sitting around the table listening to you and your girlfriends stories about life. Your firmness and passion to be a wonderful mother will always be remembered. Everyone speaks about how stern you were but I also remember how gentle and compasionate you were. Our late night talks-your moments of weakness as well as mine and Nicks. It's difficult to come to terms to think that this is real-me writing to you here on a page for the ones that have moved on to a better place, I wish it wasnt' so. Know that you are in my heart always and though we will all meet again-our strength is and has always been because of you! Miss you, with all my love- Jessica##imported-begin##Jess Smith##imported-end##*

“ To Ann, even though it has been awhile, I have always thought of you as one of my BEST FRIENDS! We went thru a lot together over the years-boyfriends, husbands and kids. But there was always more laughter than tears when we were together. You were the toughest person I knew!!  
I love you Ann and will miss you much!!

To Pam, I just want you to know how sorry I am. You will always be part of our family- if you need anything, please call me.

To all Ann's kids-Jason, Andrew, Nikki and Robert, I know for a fact that your Mom loved you all very much, but I am sure you already knew that.

I am truly sorry.##imported-begin##Betty (Howland)

“ Ann

*Thank you for being the one true friend I had. You were there for me to call when there was a problem with kids, and the man thing I went through for awhile. I will miss our two and three days a week coffee and the computer games. You are a one of a kind woman. You may have small feet in size but there will never be anyone that could ever fill your shoes. I miss you so much and I think you knew how much I loved you and treasured our friendship. You will always be in my heart and someday we will have coffee again. I love you friend Latter

“ To my momma, how do I even begin...my friend, I love you more than words could ever explain. More than expression could show. I am me because of you. Thank you for always being there for me. For teaching me all I know. You may have been a hard ass, but how else would you be you! You really always had the answer for me...love, work, parenting, jokes, cooking!, "how long do I cook it?...what do I put in first?" I am truly going to be lost without you...my sweet momma. You will be in my heart every second of every minute of every day. I love you
