

Anthony W. Paul

July 28, 1951 - November 21, 2015

BEECHER FALLS – Anthony William Paul, 64, died peacefully at his home early on Saturday, Nov. 21, 2015, after a long and courageous battle with melanoma.

Born in Newport, Rhode Island, on July 28, 1951, he was the second of four sons to Anthony Paul and Barbara Ann Boucher. His father was a life-long naval Chief Warrant Officer and Anthony attended schools up and down the east coast. He graduated second in his class from Portsmouth High School in Portsmouth, RI, and attended Providence College where he received his bachelor's degree in education with Special Education being his first love and mathematics a minor. He also went on to receive his master's degree in Special Education in 1981. He graduated in 1973 and married the love of his life, Laura Marie Rodrigues on November 9, 1974.

His first teaching job was at Diman Regional Vocational High School in Fall River, Mass., where he taught from 1976 - 85. He moved to the north country in 1985 for a job in Canaan, as K-12 Special Ed/Resource Room teacher. He went on to teach at many north country schools, including Camp E-Toh-Anee, Lancaster, Pittsburg, Woodstock, Vt., Lamoille Union High School, and Brighton Elementary. His loved teaching middle school students and was born to teach. He introduced the north country to Key Club. He had been very involved in Key Club in Massachusetts and began the club in Canaan, and

was very proud to see it grow to what it is today. He had many loves, the first always being teaching. He also enjoyed music, so much so that while teaching in Canaan, he very often transported high school students to concerts in Portland, Me. He also enjoyed tennis, hiking, and just being with his family.

He is survived by his wife, Laura; a daughter, Catherine Marie Paul from Williston, Vt.; a son, Dr. Evan Christopher Paul from Portland, Ore.; 3 brothers, Wilfred Paul, Robert Paul and Ernest Paul; 2 sisters-in-law, Maureen Paul and Rhonda Paul; as well as nieces, nephews, great-nieces and great-nephews.

There will be no public calling hours or service. Anthony wished to be cremated and his ashes returned to Rhode Island. There will be a gathering at his home in Beecher Falls on Saturday, Dec. 5, from 1-4 p.m.

“ I want to offer my late and sincere condolences to Anthony's family. I was one of his students in his first class at Diman Regional after he graduated from college. I was rudderless and frustrated and had no time for authority and things that did not interest me. In short - I was a horror. A serious HORROR.

It never phased him. Through understanding and kindness and I believe his perception of who I really was and could be, I came to terms with my frustrations and saw my potential. Through no fault of his own I never learned much about math (then), but I learned who I was and more constructive ways to make that work.

I had him for two years at Diman before I left the school in order to take courses for college that would be more appropriate for what I wanted in life. I have since far surpassed the potential of my 1976 self and I am an accomplished creative professional and artist.

Anthony Paul is probably the single most important person that I met in my life as it applies to the person I became. I still do not like authority and I am outspoken, but I have learned how to deal with it creatively, constructively and often humorously. Life gave me the tools, Anthony Paul offered me a mirror to look in and pointed the way.

Thank you Mr. Paul, you had a tremendous effect on me. I am sorry I no longer have the opportunity to tell you personally.

Your parents and family should be proud. Over the years I have often told my family and friends about that one teacher who saved me from myself.

“ I am so sad to hear of Mr. Paul's passing. My deepest condolences to his entire family. He was an amazing home room advisor to the CMHS class of 1992. I remember going to some great concerts with him and appreciated that he was willing to expose us small town kids to such popular music of the time. I'll never forget his love if the porche and the gallery of photos he displayed in our home room. I am sure in heaven he is riding in style. Kim Silva
