

Anthony A. Biron

June 9, 1958 - March 6, 2013

COLEBROOK, NH— Mr. Anthony A. Biron, 54, of Colebrook, NH, passed away at his residence on Wednesday, March 6, 2013.

He was born in Lawrence, Mass., on June 9, 1958, a son to Anthony J. and Lois S. (Beckman) Biron.

As a young man, Anthony was severely injured in a fall from a roof, and he led a life of difficult disabilities from that time, doing odd jobs whenever he could. His spirit and outgoing personality never revealed those disabilities, however, and his family and friends will always remember him as a happy person who always had a smile for whoever he met.

He is survived by his father and step-mother, Anthony J. Biron and Gloria O'Connor of Chichester, NH; a sister, Linda Murray and husband Wayne of Deerfield, NH; and a brother, Adam C. Biron of Lebanon, NH.

Anthony is preceded in death by his mother, Lois S. Biron.

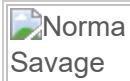

Anthony's final wishes were that no one make a fuss over him, and his family will privately fulfill those wishes.

Condolences may be offered to the family on-line by going to www.jenkinsnew

man.com.

Funeral arrangements are under the direction of Jenkins & Newman Funeral Home, Colebrook, NH.

“ So sorry for your loss. Tony will be missed by several. He was always an uplifting man to me for the 26 years I was blessed to have known him. I can still hear him say "This is between you, me and the lamp post" when he'd tell a story haha What an inspiration to many people who were fortunate to have had him in their life. I regret not visiting him more than I did up in Colebrook. I was fixing to make a visit up there last week. Looking for him on line, I came across this sad news he had passed. I was thrown by this. I will miss him dearly! Such a kind man. I crocheted a blanket for him and no matter how much it unraveled, He still appreciated it. Thanks to Denise, it got fixed for him to use haha.

“ So sorry to hear of Tony's passing. We got to know him as he bought milk from our farm. He loved to talk and always had a kind word to say. I know he became very ill and in a lot of pain. Even though he is gone, it is good to know he is feeling better now.
With sympathy,
