“ My condolences to all of you at this time. I will always remember working with Barbara in Norwood from 1982-1990 and our conversations and occasional lunch dates outside, as well as in later years our phone conversations, Christmas cards, and a few dinners together. Last night (Saturday), I had them play "Please Don't Ask About Barbara" by Bobby Vee on WATD Marshfield's Ed & Bill's oldies radio show in honor of your mother.
This has been quite a year with my mother, Claire's, passing on February 26.
My best to you all.##imported-begin##Robert S. Cutler##imported-end##

“ Dear Stephanie and girls, my deep condolences on your loss. You may not remeber me but I spent a few weeks with you one summer when we were children and then I spent few weeks with the Kirks. Peter Perron was also my father. Though there was not much contact over the years, Barbara and her family (as well as the Kirk family)have always had a special place in my heart. I came across this information because I read the Colebrook Chronicle on line. I pray for you to be comforted by the richness of you fmaily memories.
