“ Our dear sweet Betty will be so missed and remember for the wonderful times we had together for many years. Those beautiful big eyes and amazing smile will always stay with me. We had so many years of sharing stories and laughing as we were raising our children. Aunt Betty was so loved by all of them and we always looked forward to our visit. She made the best apple pie and was always willing to make one for us. Her smile, her laughter and kind and loving heart will be missed by all the Calverley Family. Rest in peace my friend and see you on the other side.

“ Dear Mom,

I was happy to see you last week when I visited you at Upper Connecticut Valley Hospital (UCVH). We had not been in that building since I was born when the paint was still fresh on Northern New Hampshire's new hospital in September 1970. I was glad to assist you with your socks and tie your shoes last week as the Spring sunshine brightened your room, which offered a view of Mt Monadnock.

Mom, you always brightened every room I saw you in, and I will never forget how you protected us. I am saddened to hear of your death and relieved you feel no pain or anxiety. Thank you for telling me you loved me as you seated me in the living room of the log cabin. I said not to be afraid and to try to stay centered. I am grateful to have embraced you one last time before I flew back across the Pacific again.

I love you,

Joey

Betty is the woman holding the young boy (her son Joey) in this 1972 image at my brother's birthday party. Betty was one of the kindest, warmest people I have ever known, and she was very, very good to my brother and I when we were young, and all through the years. She truly had a heart of gold, and she will be dearly missed. Rest in peace, Betty. Hope to catch up with you on the other side someday. Love, hugs and condolences to all who loved her.
