“ Many years ago, when she lived in Canaan, she would sometimes come to our house bearing a Chocolate Chip Walnut Pie (pecan pie on steroids). Loved it and it didn't last long. She has also been generous to the Canaan Historical Society, providing many photos of the area. I had a couple of nice visits with her while she was still in Colebrook and will miss her. My condolences to Judy and Bev's extended family. Dennis Fuller

Thank you so much Dennis. Loved the pie and she was a great cook and loved to share with others her specialties. She loved her family and her north country friends and family.

I worked with Beverly and daughter Judy at Jackson's Lodge in the mid 1960's. She was the happiest person there with an ever present smile. Lost track of her and Judy over the years but remember her fondly...Condolences to Judy and family. Erle Blanchard
