“ *We are very sorry for you, Gilles and your families loss. She was such a nice lady. I remember when our children went to St. Albert's school and we had our walk-a-thon on her road every year, for many years. She would always let the parents and children have there lunch on her lawn before we headed back to the school. So nice of Claudette and Gilles.
Our sincere condolences,

Bev, isn't your brother in law Walter Dorman and your nephew Brian Dorman and His wife Kimberley (O'Brien) that are speaking horrible things about disabled individuals including disabled veterans calling them lazy and speaking badly of other businesses stating they don't "Work as hard as they do" on their job sites.....

I have heard the Dorman family speak like this also but probably not the best place to address this. (Just my opinion)

That Dorman Family are members of the little yellow church in Columbia Nh and i went there a few times and that topic came up and i can attest that they said same things, I figured its easy for people to judge others when they all have job security in a family owned business handed to them and don't have to enter into the real world to work the only jobs around here that do not pay that well.
