“ *I can't put into words how much I will miss my mother. She is everything to me.*

*I was reminded over the past 15 months how very strong she really was. She never complained or asked Why Me? She looked at every day as a beautiful gift.*

*I'm so very proud to say I'm her son. Not an hour passes that I don't think of her.*

*I love you Mom. Rest in peace. I know we will meet again.*

“ Rick: Deepest condolences on the loss of your loving wife Claudette of 51 years. My her dearly departed soul rest in peace forever in the house of the LORD. I was unaware of your present residence and will ask Bishop to drop your e-mail address on me this day. I will be in touch soon. Wife and I are always saddened when we learn of classmates, spouses of classmates or family and other friends that pass away and this past month or since the beginning of the New Year has been very sad for us to say the least. Claudette is just one of may that we have had to be in contact with via the obituary system.

You were such a wonderful person and Grandmother. It's so hard to believe that you're gone. I'll never forget all the time we spent together, and going to the Nursing Home with you when I was younger. I know you're the reason I work there now, and theres so many residents there who's lives you've touched and still talk about you. I can still hear you laugh whenever I want, I'll never forget it. Or the way your eyes twinkled. I love you so much and always will.##imported-begin##Beth Marquis##imported-end##*

“ I was so saddened to hear of Claudette's passing. I knew her at UCVH during my time there and saw her many times after I left in 2007. I will always remember her gentle and kind manner, and that she always had a smile to pass my way when I would encounter her in the hospital hallways. She cared about people, and that was only one of the many great qualities she possessed. My deepest condolences to her family.##imported-begin##Bette Guerin##imported-end##
