“ Really hard to believe this has happened, one day here the next day gone. Mom we are all doing our best in our own special ways to get through this, dad buzzing Round in his truck because he doesn't know what else to do, the boys trying to keep up with that and me well cleaning, something you didn't like me doing when you were home, but that is the only way I can keep from crying knowing that you aren't going to walk down the hall and tell me you will do it later. Thank you everyone for your thoughts and prayers at this very sad time in our lives. Please keep a special eye on Carlton as he is lost without his best friend who was there every minute. GOD SPEED MUM I LOVE YOU

“ Rodney and Kathy lane send our deepest sympathies..
She always told me I was nuts to do all that running down the side of the road.
She stopped at my camp and gave me a bug zapper because she was tired of watching me swat those deer flies.
That was the type of person she was..
You will be missed my dear.

“ My sympathy and prayers to Cindy's family. I'm so sorry for your loss. Cindy used to often work with us at the Colebrook post office if she wasn't needed in Errol. She was a good worker and a hard worker and pleasant to be around. It's nice to work with someone like that.
