“ *What a beautiful time with Deana and Scott spending the weekend on the boat. Traveling from Salem to Gloucester by water. Stopping at the dock in Gloucester on a beautiful summer night for dinner at Captain Carlos's. The night time ocean trip back to Salem with all the shore lit up and the moon overhead, the summer breeze racing by. Deanna was as happy as could be...she loved the ocean. God bless her soul and her family. Dave Brunelle*

“ *Deana was loved by her family, many friends & will be sadly missed by all. I've shared time with her in the past & recall her intense sense of humor. I hope with all the tragedy that has occurred to the Flaherty family in the past, that they will continue to heal & have strength to carry on. We sometimes never get over these happenings but need to get past them in order to move on in life. Kim, Kris, Ri & siblings... My heart goes out to all of you. I'm sending you love, hugs, kisses & prayers.*

“ *She was kind, and beautiful, and funny. When we had sleepovers, we would laugh historically through the night. She would imitate every sound we heard or make up silly stories out of the blue. She had a big laugh and an even bigger imagination and im sorry that she's gone.*
