“ *Elena,
I am very sorry for the loss of your mother. There are few words that can be offered during this time that will take away the pain; but perhaps kind words and thoughts will offer some comfort. I think of you each time I see a Caron Building flyer or when I reflect on the many years that have passed since you worked here. In sympathy,

“ Dear Elena and Alan....I'm so sorry to hear about your Mom's passing. I don't know if you remember me, but I was one of your babysisters when you lived in the little brown bungalow in Columbia.(I lived across the road next to the shrine). Your Mom was a very nice lady! My sympathy to you and your whole family. Praying for you.

Sincerely,
