“ *To the Marsh family:*

We were saddened to hear of Dolly's passing. We always enjoyed visiting Dolly and Jake when we came to Colebrook. Dolly was a very warm and welcoming person and we had some nice times with the both of them. Whether it was just going out to breakfast, going to the races, or just driving around looking at the scenery, we always looked forward to seeing them when we were up North. We feel fortunate to have known both of them. Our thoughts and prayers are with you.

“ Dolly was a kind and giving friend. She always remembered family and friends and the importance of both. I will always remember the times in school when Dolly would remind me to make sure I had written a weekly letter to my mother. My condolences to her family.##imported-begin##dee##imported-end##
