“ *My deepest sympathy to all of Frank's family and friends. I met him at the old car cruisers and he always had a smile. We always sat around visiting and talking about the vehicles at all the different shows we met at. May your good memories help you get through these sad times. Mary Ellen Uran*

“ *Frank was a relative & a friend. In high school he was told repeatedly to take the toothpick out of his mouth. Of course, he did not so he had to go to the third floor, drop a box of 100 toothpicks, pick them up & wait for them to be counted to be sure they were all there. He was always a lot of fun, a good athlete & a good dancer. So sorry to hear this. Graceann Welsh Pennett*

“ Frank was a great guy and we will miss seeing him at the yard. He acquired the name of Shorty High Pockets from Mini Mike and most of the time that was the only name I could think to call him.

*Our Deepest Sympathy to his family.*
