Tribute Wall

“ Dear Irene and Family,
I was saddened to hear of George's passing. I worked with George for a couple of years when he was employed by Bernard Howland of Pittsburg, N.H. I have many fond memories of the times we spent together. Also of the time when I was just a kid, maybe 12 years old and George and Benny Grover were putting shingles on the roof of Bernard's camp on Back Lake. I was on the roof watching them, maybe not realizing that as a kid I had worn out my welcome when they nailed the laces of my sneakers to the roof. I reminded George of that years later when we worked together. Our thoughts and prayers are with you and yours at this time. Thank You for this opportunity to share this.
Sincerely,
Marshall and Jane##imported-begin##Marshall and Jane fish and Family Agoura Hills, Ca.##imported-end##
