

Georgette 'Georgie' L. Lyons

November 27, 1944 - October 20, 2025

PITTSBURG – Georgette “Georgie” Lyons, 80, of Pittsburg, N.H., passed away unexpectedly in Manchester, N.H., on Monday, October 20, 2025, still full of love, joy, and life. Her vibrant spirit was infectious, and she was cherished by her family and friends.

Born on November 27, 1944, at Brattleboro Hospital, in Vermont, Georgie was the daughter of Lucien and Laurette (Beaudin) Lamy. Raised in Hinsdale, N.H., she grew up in a lively and loving French Canadian home. Her father, affectionately known as "the Turk," was a former professional wrestler who captivated audiences at Madison Square Garden and the Boston Garden. He also helped organize the union at the local paper mill. Georgie’s mother came from a large family in Gaspé, Que., where her family owned a steak restaurant.

During her high school years, Georgie faced the loss of her older brother, Andre. In the wake of this tragedy, she stepped into a nurturing role, helping to care for her baby sister, Cami. At 18, Georgie moved to Boston, where she worked as a nanny for former Mayor Kevin White while attending Burdette Secretarial School. She later became a paralegal at Ropes & Gray. Her greatest gift was her ability to connect with people. Georgie treated strangers and family alike with unwavering warmth and kindness, touching everyone she met with her endless stories, sense of humor, and fierce commitment to

seeing the glass half full.

In 1964, Georgie's life took a beautiful turn when she met her soulmate, John Lyons, on a blind date in Boston, during which they discovered they had grown up in neighboring Vermont towns. Their instant connection blossomed into a loving marriage in 1965. Together, they raised four children—Dan, Colleen, Matt, and Kaitlyn—in Amherst, N.H., instilling in them the values of love, kindness, and a zest for life. They spent as much time as possible at their camp, Camelot, in Pittsburg, cherishing family moments amidst the natural beauty of the landscape.

Georgie worked as an executive assistant at Hitchiner Manufacturing in Milford, N.H., and at Norden United Technologies in Merrimack, N.H. She had a passion for reading, as well as a keen interest in current events and politics, working for Nashua mayors Jim Donchess and Rob Wagner, and former Governor Hugh Gregg. Her hardworking and warm-hearted nature left a lasting impression on everyone she met.

After retiring, Georgie and John moved from Amherst to Pittsburg, where they founded Bear Tree Cabins and Murphy's Steakhouse, creating a cherished family legacy and a tight-knit Bear Tree family with coworkers and guests. Georgie's laughter and infectious joy made her a friend to all who knew her. With her youthful spirit and genuine warmth, she made everyone feel special.

Georgie is predeceased by her parents, Lucien and Laurette Lamy; her brothers, Andre and Raymond Lamy; and her devoted husband of 54 years, John Lyons in 2019. She is survived by her four children: Dan Lyons and wife, Kathleen, of Newbury, Mass.; Colleen Ives and husband, Dan, of Manchester, N.H.; Matt Lyons and wife, Cindy, of Amherst, N.H.; and Kaitlyn Davis of Plymouth, Mass.; and her cherished grandchildren: Joseph, Shannon, Norah, Haley, Margaret, Cillian, Declan, Liam, and Teagan. She is also survived by

her sister, Cami Paras, and many dear friends whose lives she touched with her love.

Calling hours will be on Friday, Nov. 21, 2025, from 4 to 7 p.m. at the Jenkins & Newman Funeral Home in Colebrook, NH. A Mass of Christian Burial will be celebrated the next morning, Saturday, Nov. 22, at 10 a.m. at St. Albert's Church in West Stewartstown. “ Sorry to read that Georgie has passed away. She was an amazing woman.

I met her when I started working at Hitchiner in 1972. At that time, Georgie worked in IT as a computer operator; back in the days of mainframes, magnetic tape drives, disc storage, and punch cards. Operating a computer wasn't just a desk job; it was physical labor. Georgie was the only person in the department working the 11pm to 7am shift. She ran all the late night computer jobs and, in her spare time, keypunched volumes of data. Yet, at 7am, day after day, she was full of energy, greeting the incoming shift.

Always smiling, cheerful, and helpful, she was a marvel. I imagined her, heading home to her young family, getting kids up, dressed, fed, and onto the school bus. Days spent caring for the younger ones, maybe catching a few winks while they napped. Somehow managing the housework. Greeting homecoming kids. Making dinner. Welcoming her husband. Helping the older kids with homework before bedtime. Then off to Hitchiner again by eleven. Georgie was a wonder. And a wonderful woman.

Sorry to hear . . .

“ Our first meeting of John and Georgie was in the early 2000's in Feb. We rented from them at Bear Tree on route 3 and unfortunately one of the couples who were staying with us were involved in a serious head on car crash in Stewartstown on their way up. John and Georgia couldn't have been more accommodating and helpful to us as it was our first trip to Pittsburg in 20yrs to snowmobile. Without their hospitality a very bad situation was made much more comforting and less stressful to deal with. We never forgot that and was probably one of the reasons we later move to Pittsburg. We will certainly miss her beautiful smile and genuine friendship every time we would see Georgie either at Murphys, the post office or grocery shopping or out and about. She always made you feel like her family. Much love and big hugs to all her family and friends. Sue & Brynn Rugg

“ This obituary so beautifully captures Georgie's vibrant spirit of love and joy. I had the pleasure of working with Georgie in Nashua Mayor Jim Donchess's office. Georgie was fun and funny. I still chuckle at some of her jokes. She brought lightness and positivity with her where ever she went. My heart goes out to Dan, Colleen, Matt, and Kaitlyn and the rest of Georgie's family during this difficult time.

Many years ago, when we first visited Pittsburg, I met Georgie at Young's store. It was lively conversation with a huge smile.

Years later, I could not have been more excited when my son and his "wife to be" decided the idea of being married at the Glen was really a great decision.

The excitement and energy that Georgie had that day, as we walked up the hill, and she greeted me with open arms and introduced us to her son Dan, the plan was magical from the start. She then connected the kids with her "Friend and Wedding Planner" Chantel.

She understood my every hope for my son's wedding, as Mother of the Groom!!! An Irish woman want's it all for her kids! Later renting a cabin from her, then coordinating more Gala's and dinner parties and special occasions at Murphy's led to many fun interactions for our whole family. With she and her "friend Chantel", all was perfect always (even my over the top requests always met)! One most memorable, my Daughter in Law pregnant, parade weekend, 8:30pm - CRAVING Crab Cakes - I called Georgie - "we can't do it sorry- Long pause- Laurie is that you? yelled out, JONNNNNNNNNNNNNNNNNNNNOOOOOOOOOOO... can we do a 1/2 dozen crab cakes stat, it's for pregnant Lydia"

Our whole group of pals broke out screaming in joy "exclaiming, yup, that's Georgie" I rushed to pick them up. She said "Yeah, that baby will be perfect, raised with Murphy's food"- every time we dined with him, now 4, she commented on how welcome he was, so calm, a joy to have as a child guest" I swear, it was the crab cakes!

I nicknamed Georgie! "The Pittsburg Powerhouse" when we started living up here part time, I shortened it to "Powerhouse".

She enriched our lives. Her stories, her care, her concern for us. Her conversation has always mattered. Her hugs at the door of Murphy's, her joyful appreciation. Her sharing her own life journey. Her respect... she will ALWAYS be in our hearts. She treated us like "family" and frequently told us we were her family.

Rest well, beautiful angel, your wings and flight must be stunning!

In loving memory of our dearest cousin Georgie, the Canadian Cousins (aka the Crazy Canucks) have donated to CASA NH, a cause she wholeheartedly supported.

A huge hug from across the border (and today in Colebrook with the family) from all of us to express our sincere condolences and lasting love to our cousins Dan, Colleen, Matt, Kaitlyn, and Georgie's sister Cami, and their families.

Your touching and thoughtful tribute to Georgie really captured her spirit.

We are so thankful to have spent some precious time in Pittsburg with the entire family for a cousin's reunion in the summer of 2018. Georgie & John, and the cousins were such gracious hosts and catalysts for great memories. It brought back some closeness that was missing for many years.

With Love from Lynn, Louise, Gerry, & André
