“ Our deepest sympathy for your loss. We all know to well what it's like to lose someone so dear to you. Only time can heal your sorrow and each and every day it will get easier. She was a wonderful wife, Mom, grandmother. She was taken way to soon, but now she is in heaven with God and suffers no more. I think in time she would want you to celebrate her life and all the wonderful memories that she has left each one of you. I know that we will remember her as a dear friend and wonderful person. Our hearts and prayers go out to you and want you all to know that we are thinking of all of you and feeling your loss. We are happy to have known her and she will be missed. God bless each and everyone of you and may he help you through this difficult time.
