“ Words cannot express how much Hilda meant to us, only in our hearts. She was a very special person and such an inspiration in our lives. No matter how much time passed without seeing her and Gary, we thought of them both and the love was always felt.

Hilda's drive, determination and faith is what made her special. She always strove for the betterment of her family, extended family and community. Hilda spearheaded our Covell/Covill family gatherings, a feat all in its own, with such a large and extended family. We would be remiss if we didn't mention the memory maker that Hilda and her family created, Moriah's. So many memories were made at Moriah's from people near and far. Having breakfast or lunch, playing checkers at the window, Ernie, and so much more. It would be impossible to count all the lives that were impacted by Moriah's, our family certainly was. She was one to create a memory and that is what we all have from time spent with Hilda, whether a large social gathering or a brief encounter.

She tried hard to get us to slow down and take time to enjoy life a little more. Maybe it is time to heed her words. We love you and will miss you dearly Hilda – Until we meet again.

“ My deepest sympathy to Gary, Dwayne and family. May your memories help you through the days ahead. She will always be a part of you. When I was in Pittsburg last, about 2 years ago, I was with my Mom, Lois, and we all met at the Buck Rub Pub and then went to Ruth and Lesleys after, we played Quiddler, I sat beside Hilda and we were able to catch up with our lives, we had some laughs and I am very grateful for that time. RIP Hilda and watch over your family. <3

“ Gary, Dwayne, Kathleen, and Family,
Although over a thousand miles separated us from Hilda, distance never affected my thoughts and love for her. I treasured the last day I got to spend time with her in Florida a few years ago, how I wish that time could have stood still. I have no more words, only tears and compassion for those left feeling so sad and empty in Hilda's life. Know that you will mourn, then you will get angry, then you will remember, and you of course will never forget as none of us will. I will miss my dear cousin Hilda.

“ My heart is very heavy at the loss of such an amazing woman. I will never forget how welcome she made me feel when I joined the Covill family when I married Shawn. Her surprise visit to Mt. Ascutney to check on me and her warm smile and tender hug was a much needed reprieve from the mundane existence offered there. She was such a great inspiration to me. She never let on to her own discomfort as she comforted others. Heaven gains a beautiful angel and we must keep her alive in our hearts. Sympathy to Uncle Gary, Dwayne, Kathleen, and boys as well as the entire Covill/Covell family during this difficult time. Love to you all.

“ Hilda and Gary owned the apartment building where me and my boyfriend first moved in as a couple, both of them were amazing with helping us get settled but Hilda was awesome she made it feel very homey with the flowers and all the hard work she put in to that old building. She always made me smile when she came around to visit, very sweet lady. Rest in peace Hilda. ❤️

“ Our deepest sympathy to Gary, Hilda, Kathleen and the boys at this time. I very much enjoyed Hilda's friendship, while working at our church craft meetings. She always had great ideas. She was so proud of everything she made. I also will always remember the years of working for her and Gary at Mariah's Restaurant. She was a good friend and boss.
