“ *Ezra, Esther and Lisa. She loved you all so very much. She was so proud of you kids and she was such a good mother and sister. She was so talented with cooking, sewing and art. I have so many good memories of when we lived together in Florida and during our childhood and we would often reminisce about those times and laugh. There was no one else that I could laugh so hard with that we would be in tears and our stomachs hurt so bad from laughing. She had a huge heart and worked so hard without ever complaining. I will miss her dearly. She will always hold a very special place in my heart.*

“ *Our deepest condolences go out to Lisa and family on your loss. I can remember staying with your family when Mike and I had school concerts in elementary school. Kathy was always around and would stop and chat whenever we would run into each other in the store.*

“ Esther & Ezra - wish we had known your Mom was so sick. Remember the good times you had with her. I think of the times she used to bring you guys up here dressed for Halloween - still have pictures somewhere. Esther, you loved "the wheel". Both of your folks were very proud of you. Please keep in touch with us. We love you both!
