“ Annie, Kevin and I are so sorry to hear of Larry's passing. Our thoughts and prayers are with you and your family. Kevin has always thought and talked about Larry with great love and fondness. Kevin and I were just talking the other day about how him and Larry used to take the dogs for runs on the back roads and up to the lakes, how they would talk and talk for hours. He was a great friend to Kevin and all that knew him. May the comfort of all your family and friends surround you now and for days to come Annie. We will keep you in our prayers that the Lord help you through this difficult time  
Sincerely  
Kevin and Linda Mullane

“ One of the greatest men to ever walk the face of this earth. A part of me died with you. My life will never be the same. I love you and will never forget all the times we had and all the things you did for me. Rest in piece Uncle Bean you deserve it. I will miss those rides and talks on the back roads and the river banks. You will be missed. Until we meet again.

Well its been almost 9 years Uncle Bean, still miss you every day. There is so much I want to tell you and show you. I am sure you already know because I know you, dad, Uncle Wilfred, Uncle John, Uncle Dave, and Grammie are looking down on me. I love you, thank you for all you ever did for me. I wouldn't be the man I am today if it wasn't for you. Save some fishing and backroad adventures for me when we meet again.
