“ *To Julie and Samantha and families,
My deepest condolences to you on Len's passing. I've known Len and Jackie since we first moved to Colebrook, and always enjoyed our shared friendship and visiting with them both. They both always had friendly, smiling faces, no matter what life threw at them, and were always warm and welcoming to Clay and I.*

We always received our very first Christmas card of the season from Len and Jackie, every single year without fail! This memory will always makes me smile.

My heart goes out to you all ❤️
