Tribute Wall

“ I found a pocket card today with a list of employees I used to work with at Liberty Mutual in 2007, and specifically went to look for Linda. I never remembered her last name. Needless to say I came across this in my search. We had stayed in touch for a little while after Liberty. She was such a great person to work with, her talking about Johnny Depp constantly, and her witty sense of humor. Two of her sayings I constantly say to other people.. 'have a nice trip, see you next fall' and 'You know what you call a deer with no eyes, no idea' of course with the a slight Bostonian accent that joke can only work.

Anyhow, I'll miss her, and I hope to visit the cemetery to pay my respects. I'll sing that song I used to sing to her at work, she always loved it.
