“ I have had the pleasure of working with Mabel for several months and totally enjoyed every minute I was with her. She was truly the Matriarch of her family. She loved her children with all her heart and it was always so clear that they loved her. Mabel told me about her collections. She particularly loved her cookie jars and her large collection of beautiful dolls. She was so happy to be able to be home for the holidays, especially Christmas. She often told me how much Christmas meant to her. I will miss Mabel. She was truly a very special lady.##imported-begin##judy smiley, Social worker Elderly and Adult services##imported-end##
