“ *To all of Marie's family,  
I just wanted to let you know what a wonderful woman your mother was. When she was president of The Canaan Seniors, she insisted I was to be vice president. Sooooo I did. And what a pleasure it was working with her..... I also remember your father and mother in Beecher Falls,at the post office, they were always there to help any one. Guess I have rattled on enough, just wanted to let you all know that she was missed by all of the seniors,when she moved to Canada,especially me.Take care, Love Keith and Billie Brockney.Canaan, Vermont##imported-begin##Billie Brockney##imported-end##*
