“ *Clarisse & Dale - I remember spending many happy days playing with Mark as a child. My grandparents, Chester & Eliza Martin, lived across the road and I spent many summers with them. Those were happy summers for me and my playmates in Lemington.*

“ I found out yesterday that Mark had died (I was reading an old newspaper). And , I'm sad to hear about this. I considered Mark as a friend of mine, and we had been talking once or twice a week , about possibilities - of driving my truck. We tried to find a company to hire him (driving my truck) , but couldn't find one, because of the lack of recent truck driving experience. But, I hoped that at some point soon, - he would be working with me.
And, I really liked Mark, and could tell he was 'down to earth', sincere, and helpful. I appreciated that he helped me get my truck in VT
I'll miss talking with him
May God resurrect him - in the last day
