“ In the 90s we lived up the hill from the Weir's General Store. Our dog The Grinch would get loose and take off down to the store. The Grinch would be at the picnic table with Mike's Dad and his coffee crew or in the store on the counter getting fed by Mike, Dad, or one of their many friends - customers there. Those were the best of times and people in a life time.

“ I am so sorry to hear of Mike's passing. I am a neighbor up the road from Mike's and knew him a little. I have 2 sons Mike's age and older, can not imagine what the family is going through. I am some concerned as there seems to be alot of goings-on there and Mike's stuff being put in vehicles. Mike used to walk the park alot and we would chat over my fence. I also went to his yard sales. He certainly did a wonderful resoration job on his trailer. Such a sad thing to happen and I wish I had known him better to be able to pick up on his needs. God bless his family.###imported-begin###mona stuart###imported-end##

“ Sam and I purchased a trailer last July in the park where Michael resided. He befriended us almost immediately and did a small repair job for us on our trailer. Mike offered to watch out for our property while we were not there; a kind and gentle man. He made a sign for us for our trailer that we will treasure in his memory. We will miss him.###imported-begin###Sam and Ellen OClair###imported-end##
