“ To Mike's Family,

I was shocked and saddened to hear of your loss. Mike was a wonderful man. Mike was one of my best friends in high school and we shared many special times together. Even though we hadn't seen each other recently, we still periodically kept in touch. He will be greatly missed.

Special people are brought into our lives for specific reasons and Mike was one of those which touched everyone who knew him. I wish to convey my deepest sympathy and sadness to you for the loss of such a special and wonderful man.

“ To Mike's Family:

Please accept my deepest sympathy in the loss of your husband, father, son, brother, uncle and grandfather.

I graduated with Mike from Colebrook Academy in 1979. I saw him for the first time in nine years this past summer in July of 2007 at Pic Wic. He talked about how much he loved his life. He had a great companion and nine wonderful children. He said he was living in "Bungi" and loved it. Although you don't know me, I found Mike to love everything about life. Please know that he shall live on in you and your family!! I pray that you have great many memories in this time of loss.

My deepest sympathy to you all!

God Bless!
