“ *I would like to offer my sincere condolences to all of Milton's loved ones. You are in my thoughts and prayers during this difficult time.*

This is sad news. I would like to thank our mutual friend Joanne Mathieu for letting me know about this.

Milton and I were good friends from elementary school all the way through high school.

Regrettably, we were only in contact a few times after high school, but this is sad news nonetheless.

We had a lot of good times together back in the day, and we made a lot of great memories with our many mutual friends.

Some of my fondest memories of Milton are of the times we went ice fishing and snowmobiling. We didn't catch many fish, but we always had a great time hanging out in the fishing shanty, cooking beans and hot dogs on the wood stove, listening to the radio, and entertaining each other with jokes and tall tales!

Milton was always good natured, good hearted, down to earth, generous and sincere. He also had a great sense of humor. Hard to find a nicer person or a better friend.

RIP, Milton Kimball. You were an awesome friend over the years! I look forward to seeing you again one day in the great ice fishing shanty in the sky!

“ *My first memory with Milton was when I was about 4 years old...we were at my grandparents house in Ethan Allen Park and we spent the afternoon setting a bird trap with a cardboard box, a stick, and some string. Goodbye to a long time friend and classmate. Fly free as that bird we never caught.*

Milt was a friend and neighbor for more than 20 years here in Warner, raising our boys together & sharing in all the joy that came with it, including scouts! Many a time I commented on how much he must love his job and co-workers as I'd hear him heading out to work long before the sun rose every day. Always with a million dollar smile and sense of humor to go with it! The world has lost a terrific guy... my love to you Josh and your entire family! The Jadczyk's

*Dear Sue and Family,
I am so sorry for your loss, Milton was such a wonderful person, kind, helpful and always happy. I first called on Milton in the mid 90s and what started as a business relationship soon became a friendship. For the last fifteen years my work week started in his office. We shared stories of what we caught, shot or fixed over the weekend, always laughing. We shared a love of Pittsburg and the Great North Woods. I couldn't ask for a better customer or friend than Milton, he is sorely missed.*
