

Molly McLain

August 11, 1989 - July 26, 2017

MAIDSTONE — Molly McLain, 27, of Maidstone, passed away suddenly at her home on Wednesday, July 26, 2017.

She was born on Aug. 11, 1989, in Littleton, NH, and was raised and educated in the Lisbon and Woodsville area where she attended Woodsville High School.

Molly was a wonderful and devoted mother to her two young children, Jack and Quinne. She will be remembered as an amazing woman, daughter, and genuine friend to all who knew and loved her. She was a very giving person, always thinking of others before herself. Molly will be greatly missed and life will not be the same for any of her family and friends.

She is survived by her children, Jack and Quinne McLain; her mother, Amy Benoit and fiancé Tom Guild of Pittsburg; a brother, Dylan Benoit of Lisbon, NH; her grandparents Jon and Joan Vogt of Florida; as well as aunts, uncles and cousins.

A celebration of Molly's life will be held at the Jenkins & Newman Funeral Home in Colebrook on what would have been her 28th birthday, Friday, Aug. 11, from 4 to 7 p.m. The family has requested that all who visit dress 'happy' and casual.

Condolences may be offered to the family on-line by going to www.jenkinsnewman.com.

Funeral arrangements are under the direction of Jenkins & Newman Funeral Home, Colebrook, NH.

Levi and I were at the wedding in FL and we have such wonderful memories and especially when they came to visit us in Wyoming with Jack. We are so sorry for your tragedy and horrible horrible loss. This has been devastating. Levi and Jason were best friends. We loved Jason and Molly both, and the kids. Please, if you feel comfortable, please please get in touch. My number is 307-575-6240. “ Molly and I were close in middle school and some of high school. She was always so pleasant to be around and a loyal person. I am blessed for the friendship we shared in our younger years and will always carry that with me. I pray she is at peace and her children and family will find peace and comfort. Molly was always a bright light in this world and will forever be remembered as such!

We were all friends in middle school. Molly was reserved and very sweet. I remember she created a kick-ass dance to the song Kryptonite by three doors down, and won the contest she was competing in at winter carnival. We lost touch with each other in high school. I went to Lisbon and she continued on to Woodsville. I remember hearing from a mutual friend that she was in a difficult situation and that you had reached out to our friend. I'm sorry she couldn't be there there for you Molly at that time. I wish I had known. May you finally be at peace ❤️
