“ Our most darling son, You had worked so hard to overcome this insidious disease, and had so hope for more time to get your affairs in order. We love you more than mere words can ever say, and the grief we feel is not just for you, but also for Michelle. You loved each other so much and we cannot believe that death will stand in the way of your continued love one for the other.s We are so proud of what you accomplished and so very sorry that you could not have had the time to finish those things which only your vision could have done. So much love for you forever and we will love your wife, our daughter by your gift also forever. Mom and Dad.###imported-begin##Mom and Dad Rogers###imported-end##

“ Laurie, Bonnie & Kerrie-- I am so sorry to hear about ralph. I was thinking about our old neighborhood the other day and thought of Jamie Rooker and Ralph. I thought about the acorn fights Nelson Rooker and I had against Ralph and Jamie. I remember ralph screaming around the neighborhood on his bike and all of us skateboarding on the big ramp that was at the top of Chestnut street Hill. He was an awesome guy and I am quite sure he will be surely missed by his family & friends. Take care girls and keep in touch with me through my email. I wish I could make the service, however, I am on call this weekend for my Ambulance squad. God Bless.

“ I went to school with both Ralph & Laurie. I just happen to think of them both just the other day. Funny, I hadn't thought of them for years. Ralph was always pulling pranks on me and other friends. We would try to get him back but he was always two steps ahead of the rest of us.
My condolences to his wife and rest of his family. He went way too soon. I wish we stayed in touch over the years. I'm sure he will be missed.###imported-begin###Ray Clough###imported-end###
