Extending my deepest condolences on the loss of a super guy from our class of 61 at BBHS. Richard was always giving us updates on the cars he was working on and at times he would show up in the school parking area with one of his latest creations which was something to behold. I am sorry of his early passing and pray that the good LORD will bless his family in their time of need. May he rest in peace this day in the house of our LORD along with his loving wife.

A man of few words but when he had something to say you listened. Rick was a good man and always gave me a fair shake. I always enjoyed talking Pittsburg politics and Pittsburg BS with him because there was plenty of that to go around. My condolences to his family and I picture him reunited with his darling wife that he loved so dearly. RIP Rick you deserve it.....
