“ Dear Kris,

We were saddened to learn of Bobby's death. He was an important part of the old neighborhood here in Methuen and both of you were missed when you went to the North Country. I know that he couldn't wait to get into the home that you both worked so hard on there.

Our sincerest condolences to you and the family.

Best Wishes,

“ Farewell, cousin Bob, I echo Patty's experiences back on the good old Mt Carmel days. I remember your mom and dad and the good times we had visiting your place. I remember the good times working, ("playing") along with my brother Jerry in the garage at your home, yes, all very fond memories of times passed. Kris, we never met you, but still, we reach out to you across the miles, and say we love you and share in some small way your sense of loss. You have our sincerest condolences. We will all meet aging in God's house for he has prepared many rooms for us. Bob, I miss you now but in due time. I will see you again, but not too soon. We are praying for your restful future, forever in Gods lasting loving care. With love, Den & Deb.##imported-begin##Dennis & Debbie Daigle, Lawrenceville, Ga##imported-end##

“ Kris and family, Bob was an amazing guy. I enjoyed working with him when he was the mechanic at the Methuen PD and later at the DPW yard. He brought a knowledge of his craft along with a wonderful sense of humor. I last saw him about a year ago when business brought me to Pittsburg. We shared breakfast and it was great to see him again. I always enjoyed his hunting stories and he was quick to share a piece of elk or some other exotic game he had taken in the woods. Know that he was appreciated and will not be forgotten.##imported-begin##Bruce & Susan MacDougall##imported-end##

“ Bobby,I have so many fond momories of us when we were growing up in our old neighborhood. I use to get in so much trouble at Mt. Carmel when I would go on the boys side of the play yard to play with my close cousins Bobby&Roger. When we were older we use to sneak over to play with you all and Auntie Berta would call our mother and let her know we were there again. We just had so much fun growing up with you and your siblings. I'm going to miss you so much and I'm sorry we have lose touch with each other over the years. I'll be praying for your family during this sad time. Love from your cousin, Patsy###imported-begin##Patricia(Bibeau)Dadducci###imported-end##

“ Kris, Our sincere thoughts and prayers go out to you and your family. We are the guys from the Methuen Fire Dept who had met you and Bob through Tom Donahue. We have been to your house and watched in amazement as Bob fed the deer. Although we had only met a few times he was a great guy and you and him made us feel welcome in your home. We will miss him when we are in Pittsburg for our annual trips. May God Bless you and your family.

“ The best Uncle toilet anyone could ever ask for! As I talk about my childhood memories, I remember such fond memories of you. Every Sunday, when we gathered for family dinners you and Pepère would sit on the couch and laugh in the living room and I recall Memère standing in the kitchen shaking her head... boy you made those times fun. And if you weren't on the couch we knew to run out to the garage and say hi to Uncle before we went in the house to visit... May you rest in peace and may God be with you Kris, I am sure you will miss him. We love and miss you!###imported-begin###Juli Enman###imported-end###
