“ *I was shocked to hear of my Friend Simone's passing. She was like my second mother during my years in Colebrook- her daughter Josee was one of my best friends. I use to call her mamma galoshe- (private joke) and she was the first I visited when I came to Colebrook over the last twenty years. I am blessed that my two sons had the opportunity to spend time with her. She loved her children and was often the house that everyone went to. She made the best Carrot Cake in the world and made me laugh everytime I was with her. My love goes out to Josee and Linda and her whole family-I will miss Simone terribly...she was an angel on earth and now she is holding her son in heaven. God Bless Love you Jose..Lis##imported-begin##Lisa Noyes##imported-end##*
