“ My sympathies to Mr. Daniels family. I was at Clarkies market in the produce dept. for about a month working under Mr. Daniels in 1997. It was only for a short time, but we got along nicely. I was recovering from a fractured ankle and got a job working at Clarkies. I am a nursing assistant who worked for the Coos County Nursing Hospital. This was during my recouperation . I enjoyed my time with the produce dept.as I grew up on a veg. farm in Maine. My condolences to you all.
Sincerely,
Mrs. Jane Harlow, Auburn, Me.##imported-begin##Mrs. Jane Harlow##imported-end##

“ Michelle, I remember you and Steve from when I worked at Clarkies store. I am so sorry to see that Steve has died. My heart goes out to you for your loss. I find comfort from scriptures in the Bible that speak of better times for the earth when there will be no more death. Revelation 21:3,4 and Psalms chapter 37. Also, our dead loved ones will be able to have a chance to enjoy such times also.--- Acts 24:15, and John 5:28,29. Maybe these scriptures will give you some comfort, too. “ Dear Michelle,

It was with a sad heart that I read of Stephen's passing today. Please know that my heart is with you and little Delaney. I'm sorry he had to suffer as he did, but I know that he had a great love and support from you and Delaney all these years. I remember how happy he was when he would talk about his love for you and your marriage, and how happy he was when Delaney was coming along. And I remember too how happy he was when he worked on the Moose Festival projects as well as the fishing derby. I want you to know there is love and support for you, too.
