“ Dear Krummel Family,
I am so sorry to hear of the death of wife, and mother. I taught the boys and Susan was always coming in to make sure the boys were doing their work and conversing with me in the office. One of my favorite families. I am so sorry of your loss and am sending comforting prayers to all you in this unfortunate time. My love always, Nancy Gordeuk

“ Dear Manahan ladies,
I am so sorry to hear about Susie. I do know how you feel right about now but that doesn't make any of this easier. Susie always seemed like such a free spirit and and such an original personality. I have many memories of her and all the Manahan, Salls and Chudioni kids playing in the neighborhood. Those are some beautiful childhood memories. Please know you are in the thoughts and prayers of all the Salls girls.
God Bless you all.
