He attended the Holderness School in Holderness, NH, where he was captain of the alpine ski team in his junior and senior years. In 1978 he became the resident innkeeper at the Motel on the River just over the town line in Bartlett. He later he moved to Plymouth, NH, and worked at Walmart for ten years. While the word retirement was never part of his

“ I worked for Bumpy many, many years ago at The Motel on the River when I was in high school and college. He was a great boss...I'll always remember his sense of humor and his pipe. I wish I could have connected with him one last time. I know he'll cross my mind and make me smile from time to time...as he always has. My sincere condolences to his family and loved ones.
